A vibrant advertisement for a LEGO Pirates of the Caribbean set. The central focus is a large, detailed LEGO ship with a red and white striped sail, sailing on a blue sea with white-capped waves. Several LEGO minifigures in pirate attire are positioned on the ship's deck. In the foreground, a smaller blue boat with a yellow figure is also on the water. A white shark minifigure is shown breaching the surface in the bottom left corner. The background features a bright blue sky with a small white bird flying. The overall scene is dynamic and colorful, typical of LEGO promotional art.
